**Communiqué issued by the Council of the League of Arab States at
the Ministerial Level on the brutal Israeli Bombing of the Qatari
Capital, Doha
Tuesday, 9 September 2025**

The Council of the League of Arab States at the ministerial level expresses its strong condemnation of the brutal Israeli bombing of the Qatari capital, Doha. The Council views this act as a grave breach of international law and the Charter of the United Nations, and as a flagrant assault on the sovereignty and security of the sisterly State of Qatar.

The Council unequivocally rejects and condemns, in the strongest terms, this Israeli aggression, which constitutes a blatant violation of the sovereignty of an Arab State, a serious escalation, and an unacceptable breach that threatens international peace and security. The Council further warns against the consequences of continued Israeli escalatory actions, which endanger the security and stability of the region as a whole.

The Council expresses its full solidarity with the sisterly State of Qatar, its stability, territorial integrity and the safety of its citizens, and affirms the Council's support for all measures undertaken by Qatar to safeguard its security and sovereignty.

The Council calls upon the international community to assume its legal and moral responsibilities, to oblige Israel to immediately cease its dangerous escalation and repeated attacks against States in the region, and to adhere to the principles of international law, international humanitarian law, and relevant resolutions of international legitimacy.
